'94 SEASON HIGHLIGHTS

A SEASON FILLED WITH MEMORIES...

The Indians had a season unlike any in four decades in 1994. Despite the work stoppage that forced the cancellation of the '94 season, the Indians accomplished the one thing they set out to do this season—contend.

This season provided the perfect stage for three Indians to achieve superstar status throughout the baseball world. ALBERT BELLE elevated his game to become one of the premier hitters in baseball, finishing in the top three in all three triple crown categories (Average, HR, RBI). KENNY LOFTON led the American League in steals for the third straight season and became the first Indians player to lead the Junior Circuit in hits since Dale Mitchell in 1949. CARLOS BAERGA continues to prove he is among the best at his

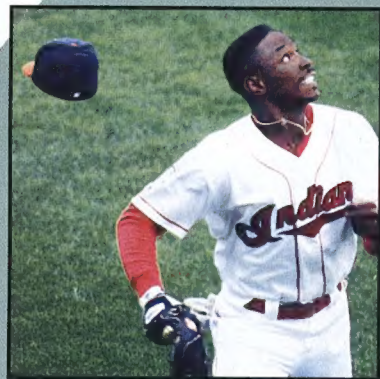

position, hitting .314 with 19 HR and 80 RBI, despite playing the second half of the season with a sprained ankle.

The Indians have a lot more talent. SANDY ALOMAR and CHARLES NAGY rebounded from the injury-plagued '93 season and proved they are among the best in the business, while MARK CLARK was 11-3 before going down in July with a broken right wrist. OMAR VIZQUEL put together one of the best seasons ever by a Tribe shortstop. Free agents DENNIS MARTINEZ and EDDIE MURRAY provided the veteran leadership every

team needs to win. These veterans helped the transition of the Tribe's younger players into the Majors. MANNY RAMIREZ and JIM THOME put together solid first full-seasons at the Major League level.

This mix of talented players should provide Indians fans much excitement for years to come.

"With the culmination of our core of young talent, our veterans, impact free agents, and the christening of Jacobs Field, we felt our goal for '94 was to put a contender on the field," —Indians Executive Vice President & General Manager JOHN HART.

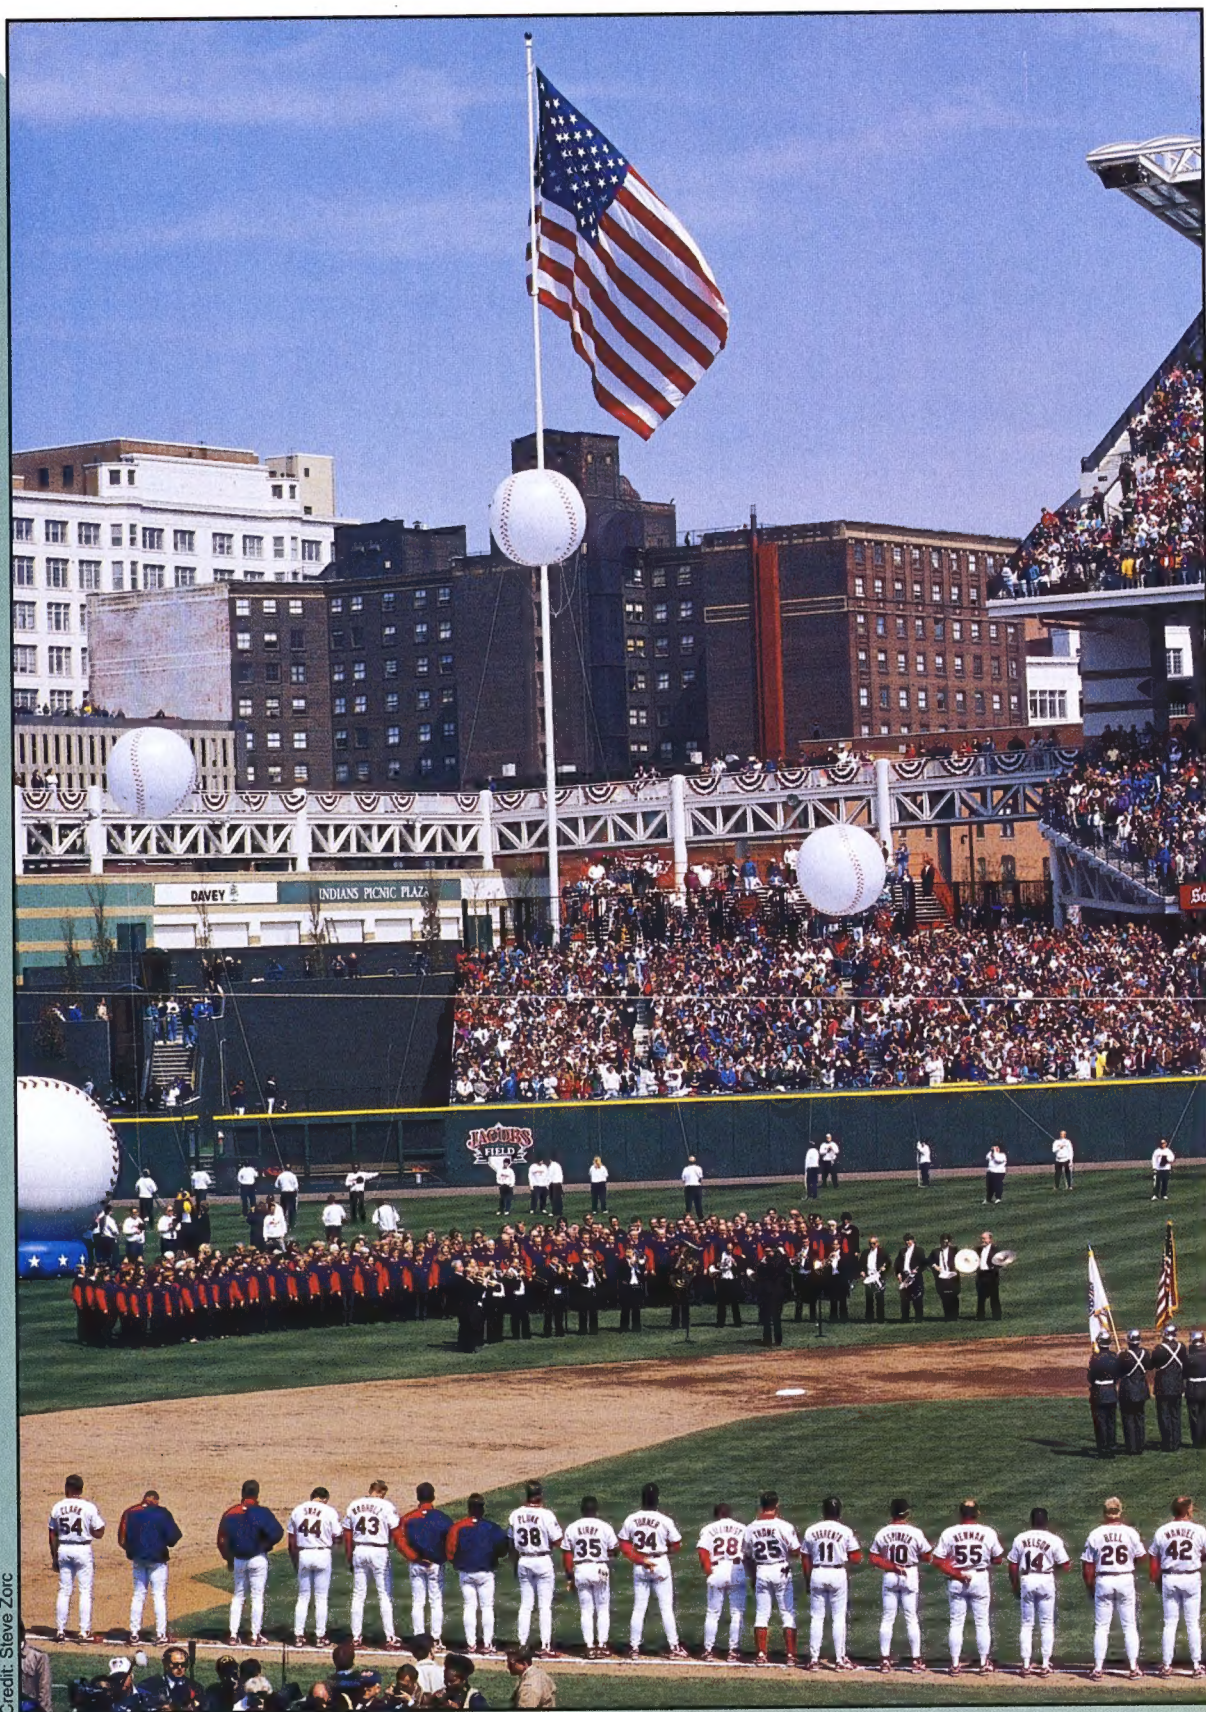

1994 POST-SEASON AWARDS RECOGNIZE TRIBE

Tribe Manager Mike Hargrove placed second in the Baseball Writers Association of America's AL "Manager of the Year" balloting. This is the third straight year that Hargrove has placed in the voting.

In 51 home dates, the Indians drew 1,995,165 fans to Jacobs Field... The Tribe averaged 39,121 in attendance per home date and were assured of setting a new club attendance record had the season not ended early... It marked the ninth straight year that the Indians have surpassed the one million mark in attendance.

PAYING TRIBUTE TO A LEGEND

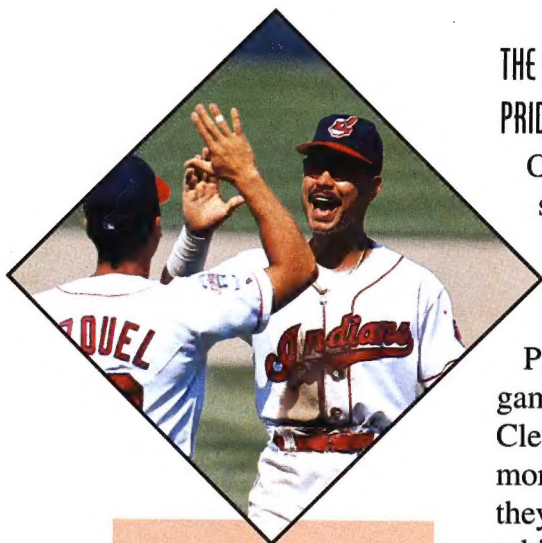

When fans travel past Jacobs Field on East 9th Street, they are treated to the sight of a statue depicting the greatest Indians pitcher of all time—Bob Feller!

The fitting tribute links Indians fans of all generations. “Rapid Robert” took the mound for the Indians from 1936-1956. He racked up 266 career wins despite losing three years of his career serving in the military from 1942-44. Bob owns three career no-hitters, including baseball’s only Opening Day no-hitter.

Feller appeared in eight All-Star games, more than any other player in the history of the Tribe, and he started the 1941 and 1946 Mid-Summer Classics. In his illustrious career he compiled a 266-162 record and a 3.25 ERA and is the Indians All-Time leader in shutouts (46), innings pitched (3,827), wins and strikeouts (2,581).

THE BEGINNING OF A SEASON OF PRIDE FOR THE NORTH COAST

On Saturday, April 2, a sellout crowd jammed into Jacobs Field to see the Indians take on the Pittsburgh

Pirates in an exhibition game. What the people of Cleveland witnessed was more than just a ballgame, they saw the continuing rebirth of a city.

Indians fans realized that they now have a ballpark that, in the past, was reserved for other cities and other teams. This cathedral was going to provide magic for Clevelanders throughout many summers to come... they just knew it!

The Tribe lost the game 6-4 in 10 innings but the message received by our city was clear. Baseball was back and alive & well in Cleveland. Jacobs Field wouldn't simply be a place where games were played but a source of pride for years to come.

The Indians Inaugural Season at Jacobs Field resulted in the best home record in baseball at 35-16... The Indians put together a franchise record 18-game home winning streak, May 13-June 25... It was the longest home winning streak in baseball since 1988 when Boston set the Major League mark with 24 straight home wins.

OPENING DAY!

Monday, April 4 marked the official opening of Jacobs Field and the beginning of the 1994 season in Cleveland with a game against the Seattle Mariners. A packed house saw a heart-pounding game that was a sign of the excitement that was to come.

The game started with a record as future Hall of Famer Eddie Murray got the starting assignment at first base against Randy Johnson. In the top of the first inning, when the Indians took the field for the first time, Murray became baseball's All-Time leader in games played at first.

The game started slowly for the Indians as they were trailing the Mariners 2-0 in the third inning. Things looked bleak for the Indians as Randy Johnson took a shutout and a no-hitter into the 8th inning. However, in

the bottom of the eighth, Candy Maldonado led off with a walk and Sandy Alomar broke up the no-hit bid with a single to right field. Next, Manny Ramirez tied the game with a double off the left field wall.

The game went into extra innings and the Indians fell behind 3-2 in the start of the 10th, only to bounce back and tie it again in the bottom of the inning.

Finally, in the bottom of the 11th inning, the Indians brought the full house to its collective feet when Eddie Murray crossed home plate with the winning run driven in by a Wayne Kirby single! This foot stomping, nail biting win was a fitting start to one of the most memorable seasons Cleveland has seen in a long time.

HONORING A TRAIL BLAZER

On July 3, 1947 the Cleveland Indians signed

The night life in Cleveland has always been exceptional, but Jacobs Field has definitely put summer evenings Downtown in a different light. Anyone who has driven past the Ballpark after sunset can relate. The first night game was held on April 7 and the Indians 6-2 win over Seattle brought fireworks to the north coast, on the field as well as in the sky.

July 5th also marked a new era in Jacobs Field entertainment as fans witnessed a different form of play—the "Star Spangled Evening" Cleveland Orchestra free concert, sponsored by Stop-n-Shop Supermarkets.

Larry Doby to a Major League contract. Two days later he became the first black player in American League history.

On July 3, 1994, 47 years after the historic occasion, the Indians honored Doby by retiring his number "14." It will never again be worn by an Indians player and hangs proudly in right field on the Mezzanine Level concourse at Jacobs Field, along with the retired numbers of four other Tribe greats: Bob Feller (19), Lou Boudreau (5), Earl Averill (3) and Mel Harder (18).

Just 11 weeks prior to Doby's debut against the White Sox in Chicago, Jackie Robinson suited up for the (Brooklyn) Dodgers and broke the race barrier that kept blacks out of the Major Leagues for decades.

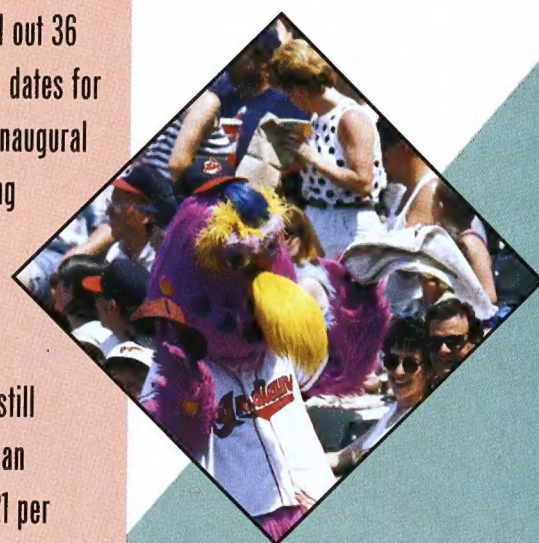

Larry went on to enjoy a stellar 13-year Major League career where he compiled a .283 lifetime

batting average, 1,515 hits, 253 home runs and 969 RBI. In the 1948 World Series he batted .318 over the six-game victory against the Boston Braves.

Larry Doby's numerous accomplishments both on and off the field are ones to be admired and honored. And now his number and name will forever be associated with Indians greatness.

The Indians sold out 36 of their 51 home dates for Jacobs Field's Inaugural Season, including the last 28 straight...Despite the work stoppage, the Tribe still drew 1,995,165; an average of 39,121 per home date.

JACOBS FIELD — HOME SWEET HOME

The Indians averaged 39,121 fans per home game and were assured of setting a new club attendance record had the season not been shortened. The excitement was at a fever pitch as the Tribe entered the All-Star break in first place and spent 63 days atop the American League Central. The Indians fabulous season was anchored by a resounding home field advantage, largely due to the fact that the fans were solidly behind their team.

It wasn't just a coincidence that Cleveland owned the best home record in baseball at 35-16. The Tribe enjoyed 36 sellouts at Jacobs Field, including the final 28 dates. The home edge was exemplified by a club record 18-game home winning streak, May 13-June 25. It was the longest home winning streak in baseball since 1988.

'94 TEAM HIGHLIGHTS

The Indians finished the strike-shortened 1994 season in second place in the newly formed American League Central Division, one game behind the Chicago White Sox... Hart, who was named general manager in September of 1991, is the first Tribe executive to win the award since the late Bill Veeck in 1948, the Tribe's last championship season. The award capped an exciting October for Hart, who also received a five-year contract extension from owner Richard Jacobs with two club option years.

MANAGER AND COACHES

CHARLIE MANUEL returns for his second year as the Tribe's hitting coach. Previously, he managed the Indians AAA Clubs in Colorado Springs and Charlotte. In 1992, he piloted the Colorado Springs Sky Sox to the PCL Crown, and in 1993 he led the Charlotte Knights to the IL title. Before stepping off the field to work as a scout for the Minnesota Twins, Manuel enjoyed a 19-year playing career (1963-1982). Manuel starred for six seasons in Japan with the Yakult Swallows... Batted

.324 with 37 homers and 97 RBI in 1979 and was named the MVP—the first American to be so honored.

BUDDY BELL is the Indians infield coach for the second straight year. Bell played with the Tribe for seven straight seasons in the 70s, and was selected to the AL All-Star Team five times: 1973, '80, '81, '82 and '84. He also won six consecutive Gold Glove Awards (1979-'84). Bell played for Texas, Cincinnati and Houston during his career. His son, David, is on

the 40-man roster for the Tribe this spring. Buddy's father, Gus Bell, played 15 seasons of pro ball with Pittsburgh, Cincinnati, New York Mets and Milwaukee Brewers.

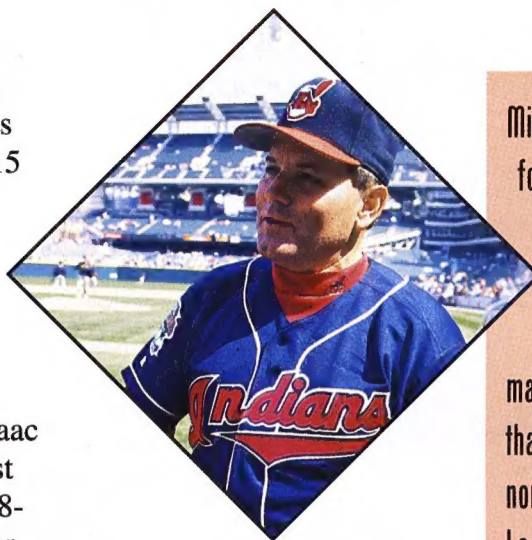

LUIS ISAAC will resume his station as the Indians bullpen coach. Isaac served in this capacity last year, as well as from 1988-91. He has been a member of the Indians organization as a player, coach, manager and scout since 1965.

DAVE NELSON returns for his fourth year as first base coach. Before Nelson made his commitment to coaching, he did a brief stint in the broadcast booth during Chicago Cubs games as a color commentator (1988-89).

JEFF NEWMAN will be joining the Indians as third base coach for his fourth season. Prior to coming to Cleveland, Newman spent

six seasons with the Oakland Athletics, four of which he was a manager.

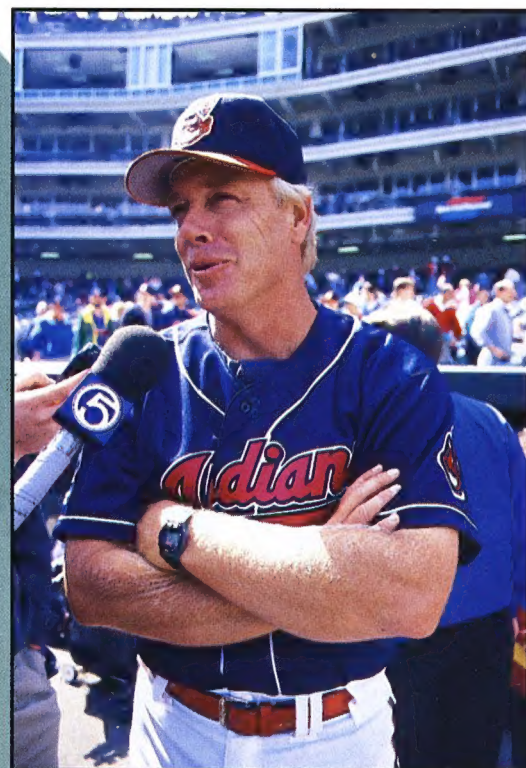

Returning this season will be **MARK WILEY**, who will be replacing Phil Regan as pitching coach. Wiley spent time on the Tribe's coaching staff from 1988-91. Wiley has spent 1991-93 as the Indians organizational pitching coordinator and special assignment scout. He came from the Orioles where he served as Major League pitching coach and minor league instructor.

Mike Hargrove is entering his fourth full season at the helm. Mike is an important part of the team and is one of the most respected managers in baseball. Proof of that respect is his third straight nomination for the American League "Manager Of The Year" award. Hargrove spent 12 years in the Majors (6 1/2 with the Indians) and compiled a .292 BA with 33 HRs and 383 RBI in 888 games with Cleveland. He holds the Tribe record for most bases on balls in a single season; 111 in 1980. With the signing of his long-term management contract, Mike recently made his year-round home in Strongsville.

CLEVELAND INDIANS CHARITIES

Cleveland Indians Charities was established in 1989 with the purpose of making a Major League impact in the areas of youth education and recreation. Through fund raising events such as the CIC Golf Classic, Stop-n-Shop's Wahoo Winter/SpringFest, Jacobs field tours, the CIC Luncheon Series and several concourse game booths, nearly \$500,000 has been raised for numerous organizations in Northeast Ohio during the past six years. Some organizations and programs that benefit from CIC's efforts are: Boys & Girls Clubs of Cleveland, Luke Easter Park, the Community Fund for Assisting Missing Youth (A.M.Y.), Shoes for Kids, Rookie League, RBI, Cleveland Indians Academy, United Way, the United Negro College Fund, Cleveland Baseball Federation and Esperanza.

CLEVELAND INDIANS ACADEMY

In its second year at Joseph M. Gallagher Middle School, the Cleveland Indians Academy is helping students at risk of dropping out achieve and stay in school. They are learning social and academic skills to help them succeed in high school and in life. The four major components of the program include: academic instruction, support services, mentoring/job experiences and transition into high school. Through Cleveland Indians Charities, the Academy will receive \$150,000 during a three-year period.

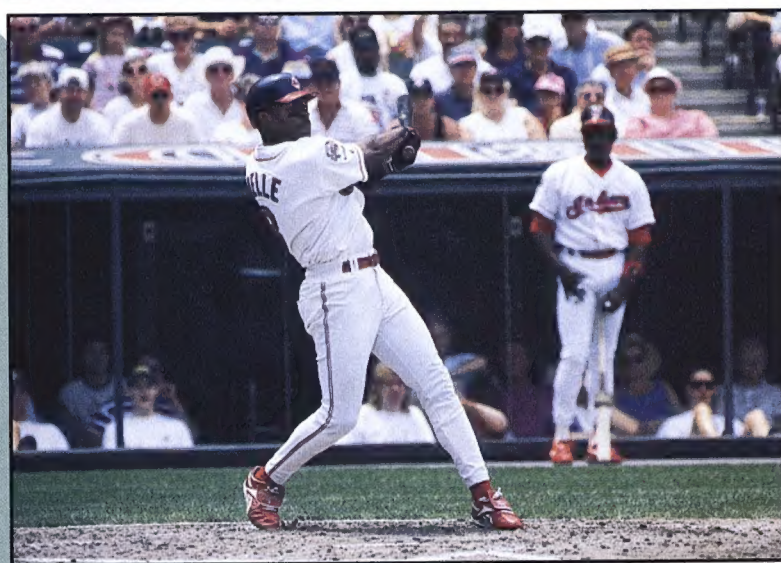

ESPERANZA, INC.

The Indians have found a partner in the Hispanic community by working with Esperanza, an organization dedicated to the educational enrichment of Hispanic youths in Greater Cleveland. Second baseman Carlos Baerga has personally donated a college scholarship for the past three years to a deserving student at the annual Fiesta of Hope Scholarship Luncheon. This year's Fiesta of Hope Luncheon celebration is scheduled for June 30. Call 651-7178 for information.

LARRY DOBY RBI PROGRAM

The Reviving Baseball in Inner Cities (RBI) program continues to grow. Last summer it was officially renamed after Indians alumni Larry Doby. In its third year, the league provides urban youths with an opportunity to learn and play baseball. The league extends past that goal and

stresses positive self esteem, attendance, sportsmanship and positive life skills. Games are played at League Park. With help from United Black Fund, local and national sponsors, the program includes playoff games, tournaments and an RBI World Series trip for the All-Stars to a Major League city.

UNITED WAY HOME RUN DERBY

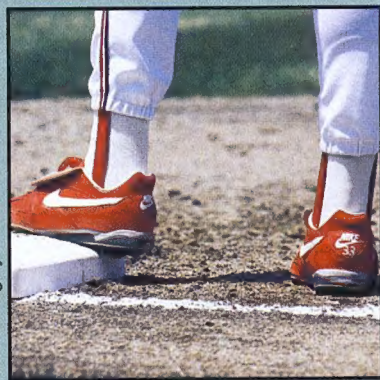

This annual program enlists corporate support for each home run hit during the season by the United Way Home Run Derby player chairman.
